★ 'REBEL, REBEL: REMEMBERING KARLHEINZ WEINBERGER

(1921-2006)' The self-taught Swiss photographer Karlheinz Weinberger, who died last year at 81, began his career taking pictures for a gay club in Zurich, but found his true subject in rebellious, working-class teenagers who dressed to shock in the 1960s and '70s. The Weinberger pictures in this show are fairly tame, as if chosen to complement the cooled-out work of the three younger artists — Ryan McGinley, Walter Pfeiffer and Collier Schorr — who surround him. But at his best, he's in a class by himself. Anna Kustera, 520 West 21st Street, (212) 989-0082, kusteratiltongallery.com, through next Friday. (Cotter)
